

# From zero to future - in hall 1/booth 1230

Invitation to Automotive Testing Expo Europe 2017

Messe Stuttgart | 20 June to 22 June 2017

## Welcome to Automotive Testing Expo Europe 2017 in Stuttgart.

Do a turn around the world's largest trade fair about testing in the automotive industry. Visit our booth and discover the innovative and future-proof test systems of **weisttechnik**.

Customised test stands for the simulation of air flows, extreme heights and radical temperature fluctuations - from single units to complete system solutions, from engine test stands to wind tunnels.

Make your way to Stuttgart - we look forward to welcoming you.
